FAQs

Why training using Just Be More Dog?

For us a relationship built on trust, fun and 2-way communication is the way to have all we want with our pups.

We make sure that you learn how to always be able to understand what your pup is communicating to you, and also what you are communicating to her...even without knowing it :)

As with any relationship we put fun at the heart so that you and your dog are enjoying the journey.

Who is Just Be More Dog?

Have a look what people say about us, you can read reviews on us [Bark.com](https://www.bark.com)

Have a look at our website and blogs [Justbemore.dog](https://www.justbemore.dog)

How much does our programme cost?

The above programme plus support plus a training guideline document costs £260.

Who are our pup training specialists?

Meet our team here [JBMD Team](#)

What if I need more help?

Remember you have a really high level of support but if you feel at any point you feel you need some more face to face time this is always available from £80 per session.

How do I find out more, and book my start date?

Booking a start date starts with making contact below.

From there we will set up an initial call then just book in session 1 :)
